Subject: **POOR ENROLMENT IN IN-SERVICE B.ED LAUNCHED IN GCETs BY SCHOOL EDUCATION DEPARTMENT.**

It is noticed with concern that admission in B.Ed In-Service in your district is very low only 12 educators have got admission in GCET Khanpur whereas, 155 newly recruited educators have not done their B.Ed.

2. As you know B.Ed is mandatory for all educators. As per directions of Higher Education Commission there is no provision of 01 year B.Ed after 2015. Furthermore, no authority will issue departmental permission to any educator for getting B.Ed degree for any other university other than GCET/University of Education.

3. In view of the foregoing, you are requested to direct your educators to get admission in B.Ed in nearby GCET so that they complete their qualification mandatory for them. Otherwise their contract will be cancelled. Moreover action will be taken against concerned DEO under whom these educators are working.

4. This issues with the approval of competent authority.
